### Everyone deserves a holiday.

HAT is the charity PMMS sponsor and have done so for over 10 years.

Holidays with their promise of a welcome break from our regular routine are something that many of us look forward to throughout the year. For the able bodied and financially secure holidays rarely present problems but for those who are severely handicapped or disabled it can be almost impossible to take a break without a helper travelling with them, and often it can be just too expensive to even think about.

HAT contributes towards the cost of helpers to make sure that severely disabled people around the country experience a welcome break from routine by taking a holiday that they have often dreamed about.
